BYO Friday Nights at the Screen House...Starting in June and running through October

There is usually a break for November and December and then

BYO Winter Gatherings begin at various homes January thru May

These are popular, low maintenance events. We anticipate a similar schedule for the coming year.

Volunteers homes are always welcome during the winter. This is a very easy way to give a party. Please see a CLC member to get on the host list.

PROJECTS

- Added to the screen house policy with guidelines for classes and activities.
- Organized a volunteer clean-up of the screen house. Thanks to many volunteers who worked fast and well, the place was spic and span in about an hour.
- Helped to coordinate extra help and condolences for community members

ONGOING PROJECTS

A special thank you to all who have volunteered their houses for various CLC functions
