

The Community Life Committee Welcomes You to Moody Point

www.moodypoint.org

Below you will find information that will help you become familiar with what goes on at Moody Point, socially and practically. We hope that these quick notes will get you up to date on some of the most pertinent items. Please check with your individual association for additional data. All of the communication regarding events, meetings, emergencies, board meeting minutes etc. comes via the internet. If you have not already done so, please send an email to Jeanne Ormrod at jormrod@comcast.net or Lynn Badger at lynnnh@comcast.net. Either will put your email address on the master list. This will enable you to find out about almost everything that goes on at Moody Point. You can also find information posted on our Bulletin Board, located near the dumpsters, or on our website: www.MoodyPoint.org

- **Recycling** is picked up by the Town of Newmarket early on most **Monday mornings**. Ask your neighbor where to leave your bin of recyclables. The bins may be purchased at Town Hall. They also have a schedule for pick-ups when Monday is a holiday. Additional information can be found on www.newmarketnh.gov
- Larger items to be recycled, such as cardboard boxes, may be broken down and left in small easily handled bundles on Mondays or may be taken to the town dump on Ash Swamp Road. Directions are on the website under "Newmarket Transfer Station". This dump is open only on Saturdays. **Please NEVER put cardboard or large household items in the dumpsters.**
- The dumpsters are to be used **ONLY** for household trash. All trash should be in plastic bags and should **not** be anything of a large size such as a lamp, old furniture etc.
- If you have a dog, please be aware that **all dogs must be walked on a leash**. The Newmarket town law calls for no leashes over 6 feet and no extendable leashes. **In all cases; when you walk your dogs, it is imperative that you pick up after them!**
- Please be aware that most of the land closest to the water is MPCA owned, Lot 4. This property is environmentally sensitive. The NH Department of Environmental Services (DES) has lots of strict guidelines on trespassing and trimming in these areas. If you stick to the pathways and don't use your clippers, you will be fine. Additional information is available under "Environment" on the website.
- Our screen house has its own set of guidelines. These are on the website under "Community Life" "Notices". Keep your eyes out for many Moody Point activities such as community wide parties. All events should be on the web, under "Community Life" and posted on the Bulletin Board.
- If you have any questions please get in touch with one of the Community Life Committee members listed here: Lynn Badger, Jan Geremia, Darby Johnson, Lyn Rodger (web master), Regina Baraban, Judy Bouthot,(MPCA Board liaison), Andra Crawford, Peg Goddard and Mimi Sokol (Chair).
- The MPCA property manager is:
Ted Alex of True North Property Management 603 964 5066
